The income from vacant building sites and kittals may in the newly formed Unions may be credited to District funds on the ground that the income from the only 2 sources of income in Unions viz house tax and cattle pounds is hardly sufficient to meet the expenditure.

6. The proposal involves a loss to the Provincial funds to the extent of Rs 1228 per annum approximately as per lists submitted by the President of the chittaldrug District Board

7. Submitted for orders of the 1st Dy. Secy. 30/12 Councellor cis to the letter 28.12.07. the opinion of the Revenue Commissioner may be invited on the subject (unofficially)

9. When house tax goes to DT, the tax on house (less) sites may go to DT also. And there is no good reason why new Unions should be treated differently from old Unions - Hedy's proposal may be sanctioned in the spirit of GO no 5413 of 23 Dec 1904 —

18. Under Section 20 of the Local Boards Regulation II of 1902, the tax on houses situated within a Union was ordered to be imposed and

N

by Rule 45(2), from the date of the levy of such tax the Mohatarfa tax heretofore levied on that class of property was ordered to cease. So that the tax on building sites would still continue to be levied under the previous orders and to be credited to the Mohatarfa Revenue of Government. The District Funds belonging to the Unions would therefore seem to have no right to this tax. But there is nothing to prevent Government from assigning it to the Unions under para 10 of

22. I concur. Broadly speaking tax on vacant house sites is no less Mohatarfa than tax on houses and has been so treated. The revenue from both these can be assigned to the Unions
